

Finance you need for the things that you want

Managing your own successful practice is an achievement and a challenge. Time is important because your work life is busy. Money is a priority because you are balancing a budget that includes your:

Practice
Equipment
Motor vehicle
Property

Medfin Finance can help. Medfin Finance offers you a range of financial products and services designed specifically with healthcare practitioners in mind.

Consider it done!

Consider it done

Want money to improve your practice and lifestyle but don't have time for the red tape? Consider it done! Medfin Finance knows that your time is important, so our experienced Relationship Managers come to you with simple, no fuss finance solutions.

At Medfin Finance it's possible to borrow up to 100%* of the purchase price of your practice goodwill, car, equipment, improvements and practice premises. And there's no need to use your home as additional security.

For Medfin Finance clients, response time is quick. We know how to deliver the high level of service that healthcare professionals require.

Specialist advice

Medfin Finance focuses exclusively on the financial needs of medical, dental and healthcare practitioners. Part of one of Australia's largest banking groups – the National Australia Group – Medfin Finance brings over 18 years of healthcare finance experience to Singapore.
